Product Description

We supply 3M Double Stick Tape Roll, a very high-bond double-sided adhesive tape, to install virtually any of our LED lighting products on a flat clean surface. One roll has 100 feet of the highest quality and stickiest 2-sided tape we could find, and at \$1 per foot, it's a bargain. Our customers have found this tape to be useful for the installation of lighter weight LED light fixtures.

This 3M Very High Bond (VHB) tape will help any applicable purpose to be quick and reliable. It is also:

- * High Bond
- * Waterproof
- * Durable

Pick up a roll of this 3M Double Stick Tape with your LED light order, you won't be disappointed.
