VALENT™ 12V Premium LED Tape Light

VALENT Premium LED Tape Light provides architectural-grade lighting with vibrant color rendering. VALENT is a linear light whose 90+ CRI value, combined with high R9, R13, and R14 values, ensures a quality almost identical to incandescent light. This low-profile, indirect, linear lighting is ideal for fill and accent lighting in locations where preserving the look of skin tones, wood finishes, and warm colors is essential.

Features & Benefits

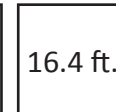

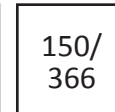

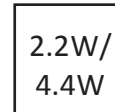

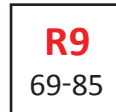

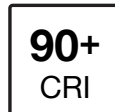

- **Accuracy** - High R9 (red) values (between 69 and 85)
High R13 and R14 (skin tone) values
- **Mounting** - Surface mounts using 3M adhesive backing
